

Holiday Cheer
 LOMEY™ Corsage Pins decorate this festive holiday tree made from Galax leaves wrapped around an OASIS® Floral Foam cone and nestled in a base of Aubergine Sisal. Bullion wire and bear grass act as garland for the centerpiece and spheres.

NEW LOMEY™ Corsage Pins

And corsages are only the beginning of what you can do.

High-quality LOMEY™ Corsage Pins give you many creative options for accenting corsages. Corsage Pins can also be incorporated into floral designs for a special, decorative touch.

- Use them to add a surprising decorative touch to wedding bouquets.
- All colors are made to coordinate with other OASIS® products such as Decorative Wire, RAINBOW® Foam and SPIRIT™ containers.
- Versatile beyond corsages. Corsage Pins add impact and value to designs that can be offered at higher price points.

Wedding Delight

It's true that the little details make the biggest difference. Here White Corsage Pins add a delightful touch to this beautiful bouquet. Made with a WEDDING BELLE® Bouquet Holder, it's comprised of white vendela roses and white hybrid dendrobium orchids with a ribbon wrap.
